

pair50

Prescribe a primary pair & **save 50%***
on additional pairs!

What is it?

Pair 50 is a program where you can order one pair of lenses for a patient and get additional, lesser valued pairs for 50%* off. All pairs must be ordered through Truckee Meadows Optical (TMO) for and to be worn by the same patient, within 60 days of ordering the first pair.

Are any pairs excluded from the discount?

Yes, lenses ordered through a managed vision care plan, any Varilux S 4D™, Varilux S Fit™, Varilux S Design™ or Crizal® Previncia® lenses cannot be discounted. However, these pairs can serve as the primary pair to qualify another pair for the discount.

How do I sign up?

In order to be eligible for Pair 50, you need to enroll in the program. To enroll in Pair 50, log in to www.PartnershipRewardsPortal.com and find the Pair 50 enrollment option. You must be in good standing with the lab to be eligible.

How do I receive the discount after signing up?

Enter "Pair 50" in the special comments section for the lesser valued pair(s) when ordering for your patient. If ordering over the phone, simply tell the customer service representative the lesser valued job applies for Pair 50.

Pair 50 Program FAQs:

Q: Can I use Pair 50 on managed vision care jobs?

A: Managed vision care plans typically cover one pair of eyeglasses. Have the patient use their managed vision care benefits on the most expensive pair, and apply the Pair 50 discount to the private pay pair(s).

Q: Is there a limit on the number of additional pairs Pair 50 can apply to?

A: The only limit is that all discounted pairs must be ordered within 60 days of the first pair.

Q: How do I know which pair(s) should receive the discount?

A: If you are not sure which pair(s) will be lower priced, please contact your lab customer service representative for assistance.

Q: How will I know I received a Pair 50 discount?

A: The invoice and statement will show the qualifying pair(s) discounted by 50%.

Q: What if my lab does not apply the discount?

A: First make sure that you are enrolled in the program. If all pairs qualify for the program, please contact your lab customer service representative for assistance.
